

Recruitment Finance

Do you want a flexible source of funding and more available time to spend running your agency?

The **Solution**.

Recruitment Finance is a combined invoicing, funding, collections and payroll solution designed specifically for the UK recruitment sector.

What does it mean **for your** agency?

An immediate injection of cash into your agency and an ongoing supply of funding.

A source of funding, which grows in line with your sales.

Your agency has access to qualified professionals.

Time consuming tasks such as invoicing and collections are done on your behalf leaving you free to focus on key business tasks.

A full payroll solution is provided for all placements as well as your own employees.

All wages are paid on time using your preferred payment method.

End of year payroll returns, such as P35 and P60 forms are completed on your behalf, freeing up your valuable management time.

How does it work?

A service provider will prepare and send out invoices to your customers using stationery which carries your corporate style and branding.

They will then release up to 85% of the value of each sales invoice raised.

You will be assigned a dedicated credit controller who will raise invoices and collect payment in accordance with your wishes.

A full sales ledger management service will be provided.

Your agency will be provided with a full payroll facility for both your staff and people you place in employment.

All wages will be paid on time via BACS payment. All payslips will be prepared and despatched to nominated addresses.

Plus the your end of year payroll returns (P35 & P60) can be completed on your behalf.

What **does it cost**?

Services are tailored to your agency so the fee will depend upon your specific needs. We are happy to provide an indication.
